THE INDONESIAN AID SCHOLARSHIP (TIAS)

Academic Year 2025/ 2026

2025

The Indonesian AID Scholarship (TIAS)

The Indonesian AID Scholarship Program, hereinafter referred to as the TIAS Program, is part of the Grant Provision Program aimed at supporting the achievement of Sustainable Development Goals (SDGs), particularly in the field of education, and as a continuation of the spirit of the Asia-Africa Conference and South-South Cooperation. The provision of Indonesian Government grants, as regulated by applicable laws, serves as a form of soft diplomacy to strengthen cooperation and friendship among partner countries.

The TIAS Program can also be utilized as a tool to enhance people-to-people contact, facilitate knowledge and cultural exchange, and is expected to strengthen Indonesia's position in international forums. The TIAS Program is a scholarship program aimed at human resource development in partner countries, specifically intended for government officials (non-active military personnel) and/or individuals recommended by their governments. Recipients of the TIAS Program will pursue education at higher education institutions in Indonesia.

TIAS offers a diploma, bachelor and master degree program for Civil Servants, government officers and persons officially nominated by the targeted government. This scholarship offers an unforgettable educational experience in Indonesia through studying at a well-known university and polytechnic as well as living experience in a multicultural and multilingual country. Through TIAS, students will enhance their intellectual standing, develop their competencies, and open wider professional opportunities, a foundation for post-college success especially for those who will contribute in public sector works upon returning to their home country.
